# LOCAL SERVICE

## ORDERS/CHANGES

### *Products and services available*

Northwestern Bell provides local calling service, long distance service within your calling area and optional products and services to meet your telecommunications needs. These are described in the "Northwestern Bell Products" section of this Customer Guide.

### *Service ordering*

Service representatives can recommend services to meet your needs and explain charges. The following information is needed to complete your order:

1. Complete street address (including apartment number).
2. Type of service you want.
3. How you would like your directory listing to appear.
4. Information about previous service.
5. Other credit and employment information.

### *Charges to install or change service*

The one-time charges to install or change your service will depend on the amount of work required. Generally, you will be charged for the processing of your order and the work we do to connect your line to our network switching office. Subsequent changes, including changes to your directory listing, require a charge.

### *Service order charges*

**Residence**

| | |
|---|---|
| New service | $17 |
| Subsequent | 12 |

**Business**

| | |
|---|---|
| New service | $24 |
| Subsequent | 21 |

### *Central office connection charges*

| | |
|---|---|
| Residence | $15 |
| Business | 24 |

If a Northwestern Bell technician is requested at your home or business to install inside wiring or jacks, you will be charged for the time the technician is there and for the materials used.

### *No charge to disconnect service*

There is no charge to disconnect service. Call your service representative to make arrangements. In most cases, charges can be stopped the day you call.

### *Advance payments/deposits*

If you are a new customer with Northwestern Bell, or if you have moved recently and need to re-establish service, a deposit may be required. The amount of the deposit is based on two months' local service and two months' estimated Northwestern Bell Zone long distance charges.

### *Deposits for other companies*

Other long distance companies may contract with Northwestern Bell to do their billing and collections. Northwestern Bell may require a deposit on behalf of these companies. The amount of the deposit would be based on two months' estimated long distance charges.

### *Special services for the disabled*

Northwestern Bell provides telecommunications services for customers with motion, vision, speech and hearing impairments through its Special Needs Center. The center provides service assistance to customers using TDD equipment (Telecommunications Devices for the Deaf). The number is **1 800 223-3131** (no charge, TDD/Voice). Services include:

- Arrange for exemption from operator services charges and local Directory Assistance charges.
- Provide complete information about doing business with us, local calling areas, and local or long distance dialing.
- Arrange for Northwestern Bell repair service for TDD customers.
- Explain special rates for long distance calls within your Northwestern Bell Zone.

The mailing address for the Special Needs Center is:

**Northwestern Bell**
**200 S. 5th St., Room 158**
**Minneapolis, MN 55402**

A TDD user can have a listing in the phone book to indicate a TDD, and can have the phone number appear with or without a street address. There is no monthly charge for TDD customers requesting non-published listings.

If a physical impairment prevents you from placing phone calls yourself or makes it impossible to look up numbers in the phone book, contact your service representative to see if you qualify for exemption from the usual charges. This exemption applies only to home phone service.

# REPAIR

# AND INSIDE WIRING

### *Repair service*

Trouble with your telephone service may involve your telephone set, your inside wiring or Northwestern Bell's outside lines and switching equipment.

Customers are responsible for the installation, maintenance and repair of all new and existing telephone wiring located within their premises. Inside wiring is the wire that connects the telephone company line to telephones. Generally, that connection is at a point close to the telephone company protector (a voltage protection device.) Landlords may be responsible for wiring on rental property.

If the service problem is in the wiring inside your residence, Northwestern Bell can repair the trouble. There will be no charge for the repair visit if you subscribe to the Inside Wiring Maintenance Plan. The charge is **$1.00** per month, per telephone line. If you do not subscribe to the plan, you will need to arrange for the repair of the wiring. Northwestern Bell is among the suppliers you can ask to do the work, and we will bill you for the time involved and the materials required to do the work.

Also, if you subscribe to the plan, Northwestern Bell technicians will identify the specific location of a faulty telephone set. If you do not subscribe to the plan, charges will apply if Northwestern Bell makes a repair visit and the trouble is determined to be a condition in the phone, terminal or data equipment.

Northwestern Bell no longer repairs telephone equipment other than our pay (coin) phones. If you have problems with your equipment, follow the instructions on your warranty or contact your equipment retailer or supplier.

Northwestern Bell will repair service problems in telephone company switching centers and lines connected to the terminal box located inside/outside your residence at no charge. If your service is interrupted for more than 24 hours after being reported to our repair service, you may qualify for credit on your monthly bill.

### *Wiring options*

Most residence and single-line business customers have three options for installing telephone wiring and jacks in their homes or businesses.

1. You can do the work yourself.
2. Arrange for installation by Northwestern Bell.
3. Arrange for installation by an independent specialist.

All inside wiring must meet certain technical standards.

### *Prewiring a home or business*

When building or remodeling a home, it is usually easier to install the telephone wiring before the drywall is put up. Contact your Northwestern Bell service representative about prewiring services and related charges.

### *Premises cable*

Northwestern Bell customers are responsible for the installation and maintenance of all premises telephone cable on their property. Premises cable is all telephone cable on the same continuous property that runs between buildings and between floors in buildings. This *does* affect owners, managers and occupants of multi-tenant and multi-story buildings.

Northwestern Bell will only be responsible for the cable up to the Demarcation Point terminal where it enters a building or complex. Any work which is needed past the Demarcation Point will be your responsibility. In many cases, the Demarcation Point will be marked with a sticker which looks like this:

Customers providing telephones using tone-emitting push buttons instead of a rotary dial must have their telephone line equipped to handle Touch-Tone service. Contact your service representative to have the telephone company make the necessary changes in its central office so your push-button phones will work properly. Touch-Tone service may be necessary to use some long distance services.

An additional monthly charge applies for the use of Touch-Tone service.

### *Directory listings*

With your basic telephone service you receive a listing in the White Pages of your telephone book. You can list one name in the book, or two people with the same last name, without an additional monthly charge.

If you do not want your name listed in the directory, but available from Directory Assistance, request a non-listed number. There is an **85¢** monthly charge.

There is a **$1.80** monthly charge on a non-published number which is not in the directory nor available from Directory Assistance.

Other telephone companies may vary.

#### To change your listing

If you want to change your listing for the next directory, call us before September 1988.* For each listing change, you pay a one-time service order processing charge. To make members of your household easier to find, you may want to consider extra listings.

* This date is approximate and could change without notice. To ensure a listing change, call as far in advance as possible.

# BILLING

# QUESTIONS/PAYMENTS

## Understanding your Northwestern Bell bill

### *Bill date*

The date shown at the top of each page is the bill date. This is when Northwestern Bell begins compiling your bill. Payments received after this date may not be included until the next bill.

### *"Payment due by" date*

Northwestern Bell should receive your payment on or before this date. If you can't have the payment to us by that date, call your service representative. We will try to make suitable payment arrangements.

Unless otherwise required by law, partial payments received without customer direction will be automatically prorated by Northwestern Bell based on the ratio of the amount due each company to the total amount due. Customers may direct that partial payments be applied to charges for a particular company by calling the Northwestern Bell Business Office.

In the event that service is disconnected, to restore service all charges owed must be paid, including a reconnection charge. A security deposit also may be required.

### *Summary of current charges*

This portion of the bill includes a summary of current charges. More specific detail of these charges is listed beginning below this section of the bill.

### *Detail of other charges and credits*

This section is included if you have prorated and/or one-time charges and credits. These charges/credits are listed separately for each company that provides you with service, if that company has arranged with Northwestern Bell to prepare its billing.

### *Detail of itemized calls*

This section shows charges for each long distance call, and includes the date of the call, its length and the type of call. These charges are listed separately for Northwestern Bell Zone long distance calls as well as for each long distance company that has arranged with Northwestern Bell to prepare its billing.

### Customers' payments

Customers are responsible for making their payments in full and on time each month, or calling their service representative to find out about special arrangements. Otherwise, their telephone service may be temporarily disconnected.

### Yielding a party line in an emergency

State law makes it a crime to refuse to yield a party line immediately when told the line is needed for an emergency. It is also unlawful to take over a party line by stating falsely that the line is needed for an emergency. The penalty for either offense shall be imprisonment and/or a fine.

### Unlawful wiretapping is subject to prosecution

It is a crime under federal and state laws for any person to wiretap or otherwise intercept a telephone call, unless that person has first obtained the consent of one or both of the parties actually participating in the call. Properly authorized law enforcement officers can take part in interceptions without the consent of either party, when proceeding under court orders issued following the appropriate federal or state law. The penalty for illegal wiretapping can be imprisonment and/or a fine.

### Fraudulent billing can lead to prosecution

It is illegal for a person to charge long distance calls to another's number or Calling Card without their permission. Persons placing such calls to avoid payment for service are subject to prosecution and if convicted are subject to imprisonment and/or a fine.

### Telephone equipment

Customers are responsible for providing their telephone sets or other telephone equipment. Federal Communications Commission (FCC) guidelines allow you to supply your own telephone or other terminal equipment and connect it directly to the nationwide telephone network. You are not required to obtain your telephone or other terminal equipment from the telephone company in order to receive service. Rates and services are provided on an equal basis no matter where you obtained your equipment.

Telephones or other terminal equipment must be approved by the FCC and inside telephone wiring must meet certain technical standards. You are responsible for the proper connection, maintenance and repair of telephone equipment and inside wiring you are providing.

A charge of **$26** will apply for each repair visit by the telephone company requested by you when it is determined that the difficulty was not due to a condition in Northwestern Bell equipment or service, unless you subscribe to the Wiring Maintenance Plan. This charge is to recover the costs of sending a repair technician to your

# CONSUMER GUIDELINES

premises. If your telephone system is served through common equipment, such as Key Systems, CENTREX/CENTRON or PBXs, the charge is **$39.** No charge applies if the difficulty is found in the telephone company equipment.

FCC rules also require that you notify the telephone company before connecting your equipment.

Privately owned data equipment may be connected to certain semi-public phone service. Contact your service representative for information.

A charge of **$130** will apply for each repair visit by the telephone company requested by a data customer when the service difficulty is determined not to be in Northwestern Bell equipment or service.

### *Telephone sets for customers with multi-party service*

Special conditions apply for equipment used for multi-party service. Call your service representative for details.

### *Obtaining telephone equipment*

If you want information about telephone sets or other types of *equipment,* contact a retail supplier of your choice. The sale of telephone equipment is a competitive business and, therefore, we cannot recommend particular suppliers to you. For more information, look in the Yellow Pages under "Telephone Equipment and Systems—Dealers."

### *Telephone safety*

The telephone is one of the safest appliances in your home or office, but there are a few situations where a telephone user should be cautious.

- Do not use the telephone while you are in the bathtub, shower, or swimming pool. Putting the telephone in water could cause a shock.
- Avoid using the telephone during electrical storms in your immediate area. Urgent calls should be brief. Northwestern Bell uses protective measures to limit electrical surges from entering your home, but absolute protection from lightning is impossible.
- If you suspect a gas leak, report it immediately, but use a telephone away from the area in question. The telephone's electrical contacts could create a tiny spark when you dial. While unlikely, it is possible that this spark could ignite heavy concentrations of gas.

### *Directory errors and omissions*

Northwestern Bell's liability due to errors in or omissions of directory listings shall be limited to and satisfied by an amount not exceeding one-half of the local exchange service charges (lines or trunks if PBX-CENTREX) for the service affected for the period from the date of issuance of the directory in which the mistake occurred to the date of issuance of a new directory containing the proper listing.

This tariff is on file with the Iowa Utilities Board and is also available for review at your telephone company.

Northwestern Bell has attemped to publish information that is current and accurate. However, the company cannot guarantee errors will not occur. The company is not responsible for the accuracy of material supplied by its subscribers. In no event does Northwestern Bell assume any responsibility to notify directory users of any error or omission.

### *Our employees carry company identification cards*

For your safety every Northwestern Bell employee is required to carry an identification card showing his or her name, and a photograph. If you have any doubt whether people are from the phone company, please ask to see their card.

### *How to handle obscene, abusive, threatening or harassing calls*

It is a crime under both state and federal laws for anyone to make obscene or harassing telephone calls. These laws have penalties of imprisonment and/or a fine.

If you ever receive obscene, abusive, harassing or threatening calls, follow these suggestions:

1. Hang up at the first obscene word. Hang up if the caller remains silent the second time you say hello. Remember, *you control your telephone,* not the person calling.
2. Do not give any information, such as your name or address, until the caller has been properly identified.
3. Advise your children and guests not to give out any information. If you are not at home, those answering your telephone should be instructed to say, "They're busy right now, may I take a message?"
4. If calls persist call your telephone company or your police department.

### *Computer-generated calls*

Some telephone solicitors utilize computer-generated calling devices. In most cases, the call can be disconnected — and dial tone restored — by depressing the disconnect button on your telephone set for a period of 12 to 15 seconds.

# LONG DISTANCE CALLING

### *To place in-state calls*

Iowa is divided into five long distance calling areas which designate where Northwestern Bell can provide local and long distance calling service. You can place long distance calls within these areas by dialing **1 + the number.**

If you have any questions regarding your long distance calling area, please call your Northwestern Bell service representative.

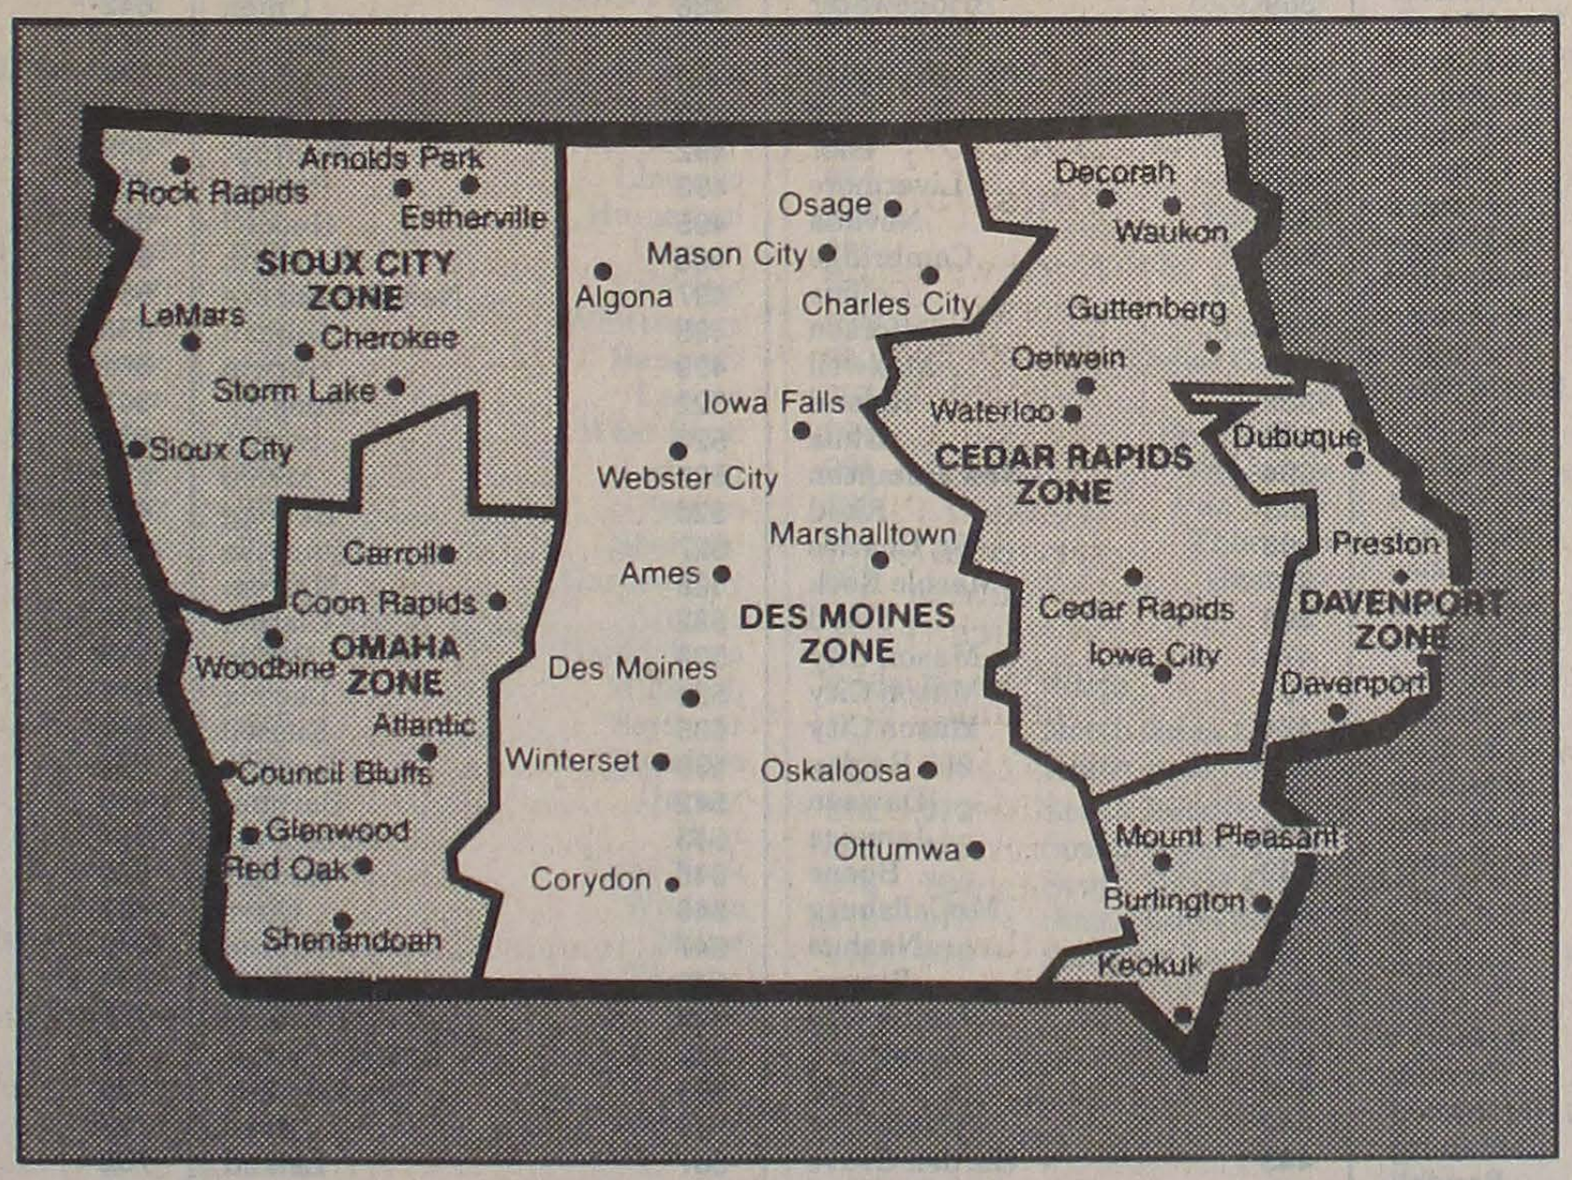

### *To place out-of-state calls*

We do not provide long distance service between Northwestern Bell calling areas or to other states. For long distance services in these cases, contact your long distance company.

### *To place international calls*

Although Northwestern Bell no longer provides an international calling service, the long distance company you use for out-of-state calls may offer this feature. Contact your long distance company for international dialing instructions.

# How to Find a Number

We want your phone book to be as easy for you to use as possible.
This guide is intended to help you avoid some of the common difficulties
people have in looking up numbers.

**ABBREVIATIONS** — Certain abbreviations appear alphabetically as if the word were spelled out. For example, "Saint James Hospital" might appear as "St. James Hospital."

Sainpolis Jane 3231 SE 36th ----- 232 ...
St James Hospital 4150 SE 42d --775 ...
Sais John 115 NE Morgan ---------285 ...
Sala E C 68 SE Washington -------232 ...

**ALTERNATE LISTINGS** — It often helps to check a possible alternate listing. John James Company might appear as James John Company.

James John Co 682 682 SW 26th 244 ...
Jensen A R 1630 NE 19th ---------282 ...
John James Co 682 682 SW 26th 244 ...
Johnson C L 522 N Oswego -------286 ...

**AMPERSANDS (&) & HYPHENS (-)** — It is usually best to disregard these and look up the listing as if it were two or more separate words.

King & Co 2816 Patten Pl W ------284 ...
King John L 2305 47th N ----------362 ...
King-Masters Co 651 24th SW ----935 ...
Kingston Paul 1895 Marine NE ----523 ...

**APOSTROPHES** — Disregard these. If you want the number for "Bob's Place," look for it as "Bobs Place." Also, what you may think of as "Smith's Toy Shop" may actually be listed as "Smith Toy Shop."

Bob Shop 522 SW 5th ------------224 ...
Bob's Place 641 SW 8th ----------226 ...
Bob's 66 Service 641 SW 8th ----236 ...
Bovan Joe 114 SE Ash ------------234 ...

**GOVERNMENT LISTINGS** — For federal, city, county and state agencies, look under "United States Government," "_____ City Of," "_____ County Of," or "_____ State Of."

**NUMBERS** — If used as names, numbers are usually spelled out and alphabetized. For example, to find "21 Cleaners" look under "Twenty-One Cleaners."

Twelves M A 1408 SE 22d --------236 ...
Twenty-One Cleaners 827 NW 23d223 ...
21 Market Bldg 21 SW Market ---228 ...
Two By Six 2136 SE Powell -------232 ...
Twohy R M 421 NE 114th ---------253 ...

**PREFIXES** — Names with prefixes are listed as a single word and alphabetized. For example, MacNeil follows Macnab and Macoy follows MacDonald.

Mac Tool Sales 507 NW 22d ------222 ...
MacDonald J B 721 SW 24th -----246 ...
Mac's Auto Inc 3520 NW 28th ---226 ...
McDonald W E 2206 NE 38th -----282 ...
Mead Albert 1115 SE Rex ---------236 ...

**SCHOOL LISTINGS** — Most schools can be found under "Schools-Public." They are listed there first under the school district name and then by type of school, i.e., High School, Elementary School, etc.

**SPELLING VARIATIONS** — Often names can be spelled different ways. Johnson for example can appear as "Johnsen," "Johnston," "Johnstone," or "Jonson."

JOHNSON ----- see also Johnsen
Johnston, Johnstone, Jonson

**TITLES** — Titles appear after the full name. For example, Adams, Arthur Rev. or Thompson, T. MD.

Adams A E Jr 6808 SE 19 --------234 ...
Adams Arthur 4463 NE 133d -----255 ...
Adams Arthur Rev 4216 SW 4th -222 ...
Adams Arthur P 8531 SE Taylor --254 ...

**USE OF "THE"** — The word "The" usually follows the firm name. For example, "The Brown Fabric Company" would be listed as "Brown Fabric Company, The."

Brown F D 140 N Webster --------288 ...
Brown Fabric Co The 417 SE 20 -236 ...
Brown Frank 710 N Terry --------289 ...
Browne B A 1515 SW Hall Bv ----244 ...

## OTHER HELPFUL HINTS

- The same ground rules mentioned above also apply to the Yellow Pages.
- Make a list of the numbers you call often.
- Write down your own personal emergency numbers on the inside front cover. If you need them, you'll be glad they are there.
- This directory is yours. Do anything you wish to make it easier for you to use personally. Underlining or circling numbers or putting index tabs on frequently used sections may be helpful.

### NORTHWESTERN BELL

**TO CALL A PARTY ON YOUR LINE**

Two-Party customers dial the listed number, hang up. Your bell and the bell of the called telephone will ring until the called telephone answers. When your telephone stops ringing, lift your receiver and begin your conversation. If no answer, lift your receiver for a moment and then replace it. This will stop the ringing and will clear the line for other calls.

# Four ways to help you use the Yellow Pages...

## GOING SOMEWHERE?

Suppose you want to dine out. Just find "Restaurants" in the "R" pages, and select the one that suits you best. Almost any product or service can be found in this quick and convenient way.

## FORGOTTEN A FIRM'S NAME?

There's a garage at 3600 Clearwater Ave., but you've forgotten its name. Simple check through the list in the "Automobile Repairing & Service" classification . . . find the Clearwater Ave. address and you've found the elusive garage, and its telephone number!

## LOOKING FOR A TRADE-MARKED PRODUCT OR SERVICE?

You want a certain brand of tire but you don't know where it's sold. Just turn to "Tire Dealers—Retail" and choose from the list of dealers. Easy!

## EVEN WHEN YOU KNOW THE NAME . . .

The Yellow Pages can help you. Suppose you want to phone a Sporting Goods Store named Smith and Sons. Chances are you would find it more quickly in the specific list of Sporting Goods Stores than in the White Pages.

# Cy-Ride Bus Service

## Convenient, economical transportation throughout Ames

Cy-Ride provides multiple transportation services to the public, including: a fixed route service, a door-to-door "Dial-A-Ride" service, an ISU parking shuttle, and a Friday and Saturday late night service.

## The Fixed Route Cy-Ride: seven-days-a-week service

The fixed route bus service is in operation weekdays 6:30 a.m. to 12:30 a.m., Saturdays 7:30 a.m. to 2:30 a.m., and Sundays 9:00 a.m. to 11:30 p.m. There is no service on Thanksgiving Day, Christmas Day, or New Years Day.

The fixed route offers low adult fares. Students pay a greatly reduced fare and children under five years accompanied by an adult ride free. ISU students and Ames high students must present a current student identification or pay the adult fare. Ticket books, monthly passes and student semester passes are available. Call 292-1100 for exact fares.

## Dial-A-Ride: door-to-door service weekdays and Saturdays

Dial-A-Ride is available to all residents of Ames, including elderly, handicapped and the general public. The buses are equipped with wheelchair lifts. Attendants ride free when accompanying a handicapped person.

Dial-A-Ride service is available weekdays from 7:00 a.m. to 6:00 p.m. and on Saturdays from 9:30 a.m. to 1:00 p.m. It operates only within Ames city limits. The fare is discounted 25% for the elderly and handicapped and handicapped students pay only a minimal fee. More detailed information is available in a Cy-Ride route map and information folder, available by calling the Cy-Ride offices.

Call 292-1100 to arrange for a ride. Please call at least one hour before you want to ride and allow at least 45 minutes riding time to complete your trip. Additional time will be required during the winter months. Calls are booked on a first come—first serve basis. General public calls are considered second priority calls. Calls are not accepted a day ahead unless they are reservations for people who will be using the service at least one day per week at the same time for a period of at least three consecutive weeks. Failure to show for a reserved call without one hour's notice will cancel the reservation.

## Night Ride: door-to-door service on late Fridays and Saturdays

This is a free service operating within the city limits on Friday and Saturday nights when ISU is in session. Hours of operation are from 10:30 p.m. to 2:00 a.m. Call 292-1100 after 9:30 p.m. to arrange for a ride. Funding for this service comes from the ISU Government of the Student Body.

## Parking Lot Shuttle: an ISU class days service

The Parking Lot Shuttle and the Orange Route provide free service connecting the Iowa State Center parking lot with central campus. Park in lots A4 and B6 and ride free to and from campus. Any person riding the Parking Lot Shuttle or Orange Route to or from RCA, Olsen Building, or Vet-Med must pay the appropriate fare.

## General information for using the Cy-Ride bus service

• Wait by the bus stop signs or at the bus stop locations shown on the Cy-Ride map folder. Make sure the bus driver can see you so you aren't passed by. • Have your exact fare, ticket or unlimited pass ready. • ISU students must show the driver their current ISU fee cards to ride for the reduced fare. Ames High students must similarly show their current identification card. • If you need a transfer to another route, ask your driver for a transfer ticket when you pay your fare. • About three-quarters of a block before you want to exit, pull the bell cord. Passengers may exit only at marked bus stops.

**For a copy of the Cy-Ride folder with route maps, timetables, fares and riding information...or for any information about Cy-Ride, call 292-1100.**

# AMES
## CIVIC INFORMATION

*Farm House, the first building erected on the ISU campus, is now a public museum.*

## HISTORY

AMES is situated near the geographical center of Iowa and is 35 miles north of the State Capitol in Des Moines. Its location in the heart of rich agricultural land led to its selection as the site for the Iowa Agricultural College and Model Farm, created through a bill passed by the Iowa General Assembly in 1858. In 1860 the first building for the college, Farm House, was erected. The school became a land-grant college under the federal Morrill Act in 1863, was renamed the Iowa State College of Agriculture and Mechanic Arts in 1898, and became Iowa State University (ISU) of Science and Technology in 1959.

The city of Ames was established in 1864 in anticipation of the extension of the Cedar Rapids and Missouri Railroad to the area. The President of the railroad, John Blair, named the settlement after Massachusetts Congressman Oakes Ames, a promoter of the railway system. Ames was incorporated in 1870 with a population of a little over 800 people. The original town consisted of a 12-block area extending from the railroad north to Ninth Street. The eastern and western borders were Duff and Burnett Avenues. With rail shipments of ever increasing farm products and the growth of the College, Ames prospered.

Ames is now the largest city in Story County and has a population of about 48,000 people, including student enrollment at ISU. U S WEST Direct, publisher of this Directory, is pleased to be a part of this community in "The Center of It All."

## INDUSTRY

Manufacturing, education, and the professions have surpassed farming as the economic staples of Ames. Iowa State University is the city's largest employer. Many international corporations have plants located in Ames. Branches of state and federal government agencies are also located here. Ames is home to the Iowa Department of Transportation headquarters, the United States Department of Energy's Ames Laboratory, and the United States Department of Agriculture's National Animal Disease Center and the National Veterinary Services Laboratories.

## TRANSPORTATION

Located in central Iowa, Ames is served by rail and bus lines. Transcontinental U.S. Highways 30 and 69 and Interstate 35 cross in Ames. The Ames Municipal Airport accommodates small private aircraft, and the Des Moines International Airport, 35 miles south, provides commercial flights. The Ames city government joined with the university administration and the government of the student body to form a system of public transportation now called Cy-Ride. For this cooperative effort in community action, Ames was designated an All-American City in 1983.

## PARKS AND RECREATION

The city of Ames has 22 parks offering a variety of recreation facilities that include a softball complex, an ice center, tennis courts, bicycle paths, golf courses, swimming pools, and nature trails. Summer concerts are held in the Municipal Band Shell Park. The Ames Parks and Recreation Department offers a full schedule of activities year-round from instructional classes to organized sports.

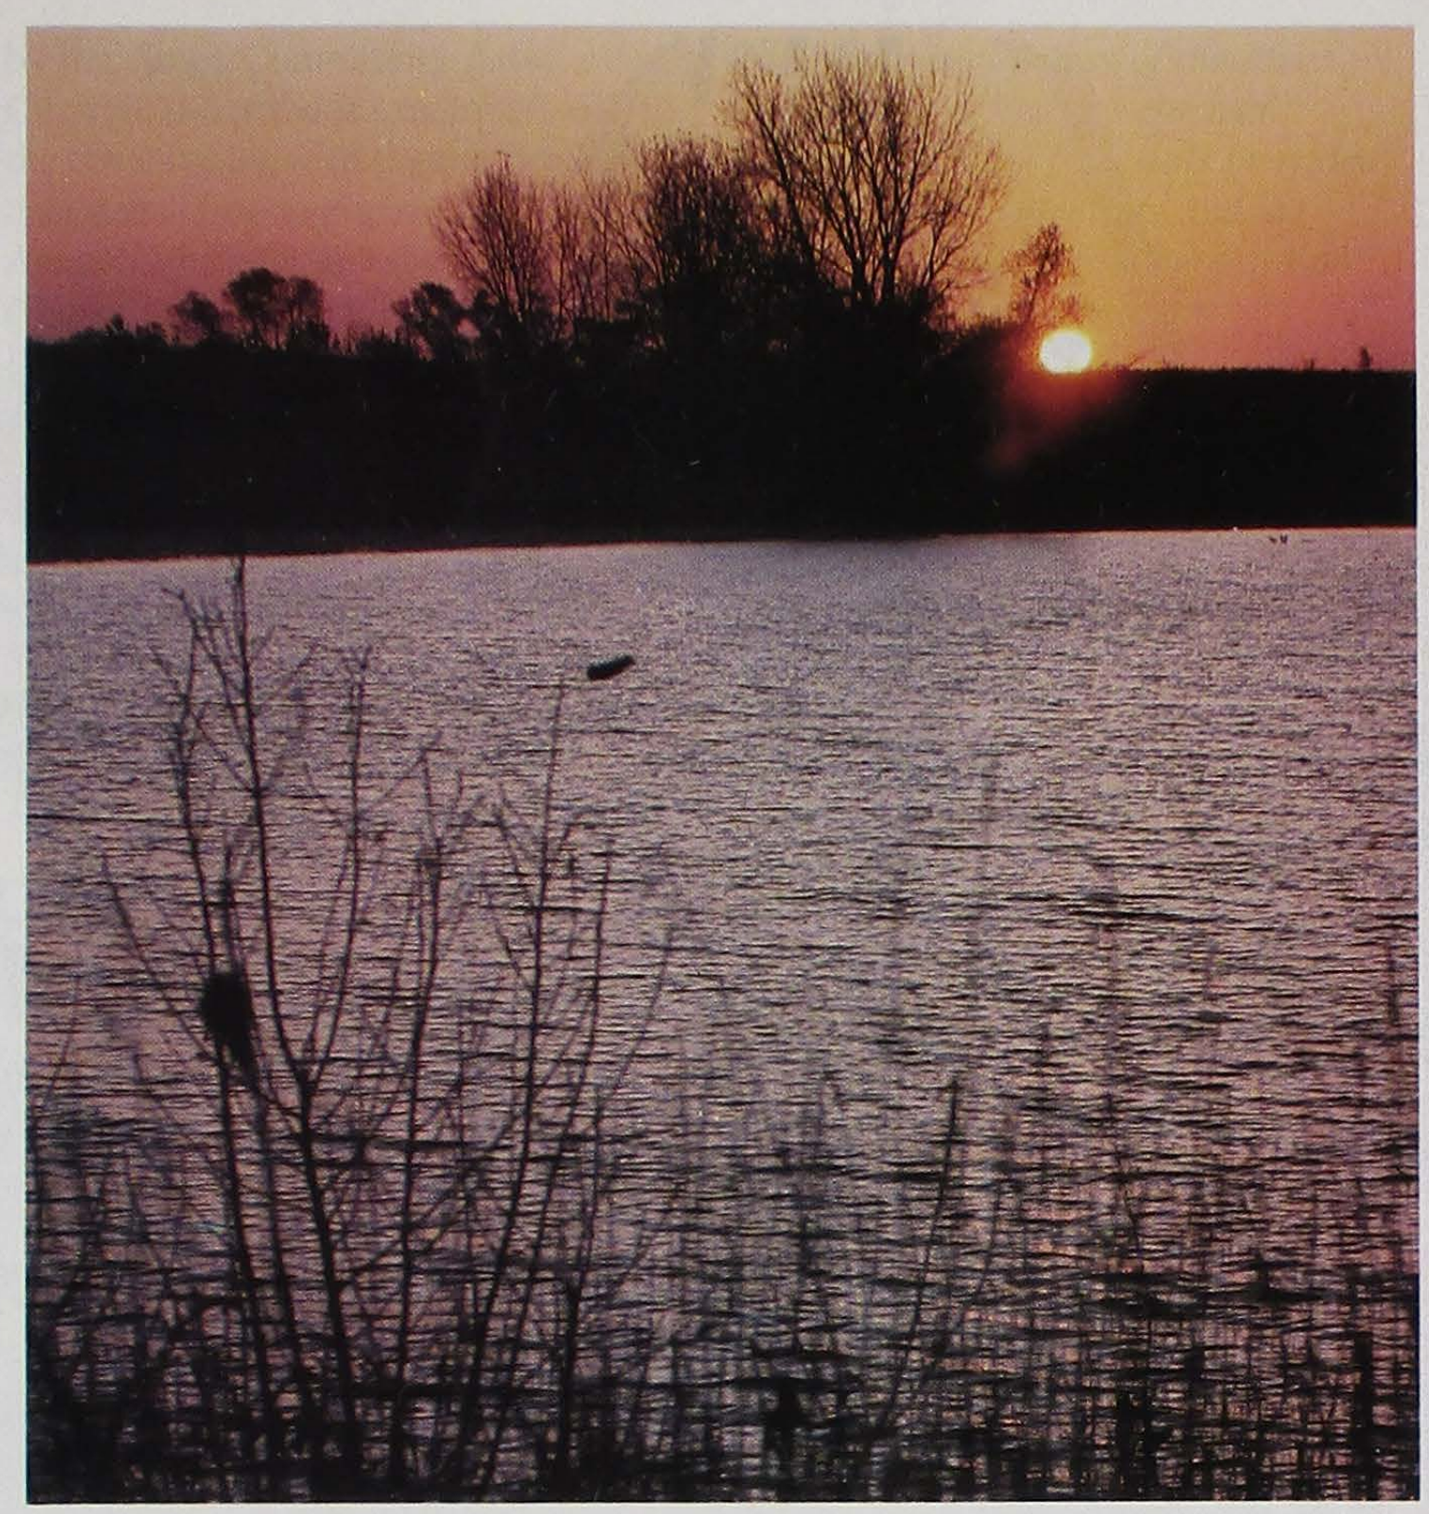

County parks, Iowa State University's horticulture gardens and

arboretum, and a preserved natural prairie within the city limits provide additional recreational opportunities. Sports enthusiasts can enjoy Iowa State University's varsity competition in the Big Eight Conference. The ISU Cyclones play basketball in the James H. Hilton Coliseum and football in the Iowa State University stadium.

*Indian Creek Conservation Unit* is one of two county park systems and contains Hickory Grove Park, Praeri Rail Trail, Robison Acres, Hickory Grove and Dakins lakes. Popular activities include camping, hiking, cross-country skiing, and snow mobiling. Portions of the Conservation Unit are wildlife habitat and are open for hunting and trapping in season. Hickory Grove Lake offers year-round fishing and boating and canoeing are permitted in summer.

*Skunk Creek Conservation Unit* is the second of the two county park systems. The Unit includes McFarland Park, Peterson Park, the Skunk River Greenbelt, and various prairies and marshes. Features of the park include a handicapped accessible trail, an observatory for astronomical study, and other education programs. The Skunk River Greenbelt offers trails or canoe trips that pass Soper's Mill, one of the first grist mills built in the county, and a "Rainbow" Bridge that is included in the National Historical Registry. For more information on the Skunk River and Indian Creek Conservation Units refer to pages EZ-12 and EZ-13 of this Easy Reference Guide.

The Ames and ISU communities provide several annual recreational and cultural events attended by community, state, and national audiences. The Annual Midnight Madness Road Races are held in July. Races include 5K and 10K runs, preceeded by a bicycle ride. The Iowa Games is a new event held in August and is a sports competition for amateur youths and adults. VEISHEA, a three-day Spring event, includes open house displays on campus, a parade, and a musical variety program. The term *Veishea* was derived from the first letters in the titles of the University's undergraduate colleges. The Iowa Masters Tournament is held annually at Veenker Memorial Golf Course.

## CULTURAL ATTRACTIONS

*Iowa State University* occupies a central position in the life of the community. ISU holds several distinctions. ISU is the birthplace of the electronic digital computer, designed and built in the late 1930s by mathematics and physics professor John Vincent Atanasoff and graduate student Clifford E. Berry. Other distinctions include the establishment of the first state veterinary medicine school in the nation in 1879, establishment of the first statistics laboratory in the nation in 1933, home of the nation's first educationally-owned television station, and the first land-grant college to be coeducational from its beginning.

The university is the principal provider of entertainment through its numerous cultural and athletic activities. The Iowa State Center attracts concerts, ballet troupes, theatrical productions, and traveling exhibits to its 4-building complex.

The *C. Y. Stevens Auditorium* hosts the annual Ames International Orchestra Festival which brings visiting musicians and famous symphonies from around the world.

The *Brunnier Gallery and Museum* is housed in the Scheman Building of the Iowa State Center. The museum maintains a permanent collection of dolls, glass, ceramics, jade, ivory, American and Japanese prints, and work by Iowa artists. The museum also hosts changing, traveling exhibits.

*Farm House Museum* is part of the Brunnier permanent collection. The Farm House was the first building on the ISU campus and was a regular stagecoach stop before the coming of the railroad. It has been designated as a National Historical Landmark and has been restored to reflect the 1860 to 1910 time period.

*Memorial Union - Gallery and Pioneer Rooms.* The ISU student union offers the Gallery and Pioneer Rooms for changing art exhibits. Art on exhibit is mainly by Iowa artists and is available for purchase as well as for public viewing.

*Christian Peterson Sculptures* can be found at various locations throughout the ISU campus. Peterson is an artist-in-residence at ISU and his work can be found in front of the Memorial Union, MacKay Hall, in Parks Library, the Dairy Industry Building, and the Quandrangle Courtyard. One of his most famous sculptures, the Gentle

Doctor, is on display in the Scheman Continuing Education Building at the Iowa State Center.

*Grant Wood Heritage Area* in the Parks Library contains nine wall murals created under Grant Wood's direction. The murals depict the academic divisions of ISU and the breaking of the prairie by early pioneers.

*Octagon Center for the Arts* is the Ames Arts Center. The Octagon offers year-round art classes, workshops, film and lecture series, and guided tours. The Center also hosts monthly regional, national, and international exhibits. A regional art fair, "Art in the Park," is held during ISU Homecoming weekend.

*ACTORS - Ames Community Theatre of Recreational Services* is supported by the Ames Community Arts Council and provides members of the community with theatre production and acting experience. The *Ames Children's Theater*, the *Ames Choral Society*, and the *Octagon Orchestra* add to the cultural attractions available in Ames.

ISU also provides the community with a variety of courses that may be audited or taken for credit, including evening and weekend courses. The campus itself has many attractions in addition to the cultural facilities. Historical markers are located throughout the main campus which also serves as an arboretum. When classes are in session the 50 bells of the Campanile sound daily in midday concerts. Brochures and maps of the campus are available from the Campus Information Center in the Union.

# STORY COUNTY CONSERVATION BOARD PARK SYSTEM

The Story County Conservation Board manages more than 1,700 acres of parks and natural areas, including lakes, rivers, streams, timber, prairies, and marshes, for recreation, wildlife habitat, and outdoor learning.

The county is divided into two management units - the Skunk River Conservation Unit, headquartered at McFarland Park north of Ames, and the Indian Creek Conservation Unit, headquartered at Hickory Grove Park near Colo. The Conservation Board's central office is located at Hickory Grove Park.

*State park user permits are not required in Story County parks.*

## SKUNK RIVER CONSERVATION UNIT

**McFarland Park.** This 200-acre park northeast of Ames serves as the headquarters for the Conservation Board's Outdoor Learning Program and is developed on a natural history theme. A ranger is in residence at the park. On-site facilities and programs include: outdoor amphitheater; stargazing observatory; Touch-A-Life Trail (hard-surfaced trail for handicapped persons); year-round interpretive programs for school, youth, community, and public groups; hiking, picnicking, cross-country skiing, bird watching, fishing, and nature enjoyment; tallgrass prairie, forest, stream, 6.5 acre lake, and nearby Skunk River; woodland and prairie trails; winter activities, including ice fishing and cross-country skiing; lake stocked with largemouth bass, bluegill, channel catfish, and grass carp.

**Peterson Park.** This 200-acre park in the Skunk River Greenbelt west of McFarland Park contains gravel pits which will continue to be mined by Story County and the City of Ames while the area is reclaimed for wildlife habitat and recreational activities, including: swimming with park attendants present - 11 am to 6 pm daily (Memorial Day through Labor Day) parking fee; fishing, hunting, hiking, bird watching, picnicking, and boating (no motors); pioneer cemetery and old stagecoach trail; Skunk River canoe access; hunting-style archery range. Peterson Park is restricted to walk-in only from October 15 to April 15.

**Prairies and Marshes.** Vestiges of what Story County was like prior to pioneer settlement may be seen at Doolittle Prairie, Cooper's Prairie Marsh, Larson Marsh, and Jim Ketelsen Greenwing Marsh. The prairies are a blaze of color from May through October as prairie wildflowers and grasses bloom, while the wetlands provide valuable habitat for wetland wildlife. Hikes with county naturalists through these outdoor classrooms reveal many prairie and wetland wonders.

**Skunk River Greenbelt.** More than 800 acres of public land along the upper Skunk River between Ames and Story City provide valuable recreational opportunities, wildlife habitat, and preservation of the lands bordering the Skunk River. The Greenbelt includes: canoe accesses, forest, river, stream, meadow, and prairie habitat, public hunting areas, backpacking, equestrian use, and primitive camping, historical and archeological areas. Plan on a day's float, putting in at Story City and breaking for lunch at historic Soper's Mill, site of one of the first grist mills in Story County, as well as a century-old "rainbow" bridge. Shoot the rapids below Soper's Mill before passing through Peterson Park.

## INDIAN CREEK CONSERVATION UNIT

**Dakins Lake.** This small park near Zearing contains a five-acre lake stocked with large-mouth bass, bluegill, bullhead, channel catfish, and crappie. Picnic facilities and overnight camping sites are available. Portions of the park are managed for wildlife and are open to hunting.

*Fishing is just one of many activities available at Hickory Grove Park.* *Courtesy of Story County Conservation Board.*

**Hickory Grove Park.** The largest and most popular of the Conservation Board's parks, this 445-acre multiple-use recreational area southwest of Colo contains a 98-acre lake stocked with largemouth bass, bluegill, crappie, channel catfish, walleye, tiger muskie, and grass carp. On-site facilities include: 43 modern camping sites, most with electricity (fee charged); shower house with flush toilets and hot water; primitive camping available; supervised youth camping available; 600-foot beach with lifeguards (fee charged); public hunting areas; two enclosed lodges with fireplaces (available by reservation; fee charged); five open picnic shelters; hiking trails; canoeing and boating (electric motors only); winter activities, including ice fishing, cross-country skiing, and snowmobiling; concession with boats, canoes, bait, tackle, and refreshments; picnic sites with grills, water, and sanitary facilities; year-round fishing.

**Praeri Rail Trail.** This linear ribbon of land in the northern part of Story County, connecting Roland and Zearing, serves as a wildlife oasis. Non-motorized recreation, including hiking, jogging, cross-country skiing, and nature enjoyment, is encouraged on this former railroad right-of-way. The trail contains tallgrass prairie remnants and is managed for prairie wildlife. The "Praeri" spelling is of Norwegian derivation, recognizing the ethnic influence of the area.

**Robison Wildlife Acres.** This unique area in south-central Story County was donated to the Conservation Board by a former Board member, Clay Robison. West Indian Creek forms the eastern boundary of the park, and nature trails wind through prairie and woodland. The area is a favorite spot for spring wildflower walks and nature study. The park is open to primitive, supervised youth camping.

*All fees are put back into the camping, beach, and lodge programs to enhance facilities. Special seasonal and family camping and beach rates are available upon request.*

*The Story County Conservation Board is involved in a number of special activities designed to promote public education and wildlife habitat in Story County.*

Iowa State University, with an enrollment of more than 26,000, is a broad-based university of international stature. Created as the Iowa Agricultural College and Model Farm by the Iowa General Assembly in 1858, ISU became a land-grant college under the terms of the federal Morrill Act in 1863 and held its first classes in 1869.

Iowa State University was a pioneer in the establishment of agricultural studies on the college level, and is the home of the nation's oldest veterinary school. ISU has been instrumental in the progress the engineering profession has made to its present key position in an industrial society, has continually emphasized basic sciences, and has been a leader in establishing the profession of home economics. Renamed the Iowa State College of Agriculture and Mechanic Arts in 1898, it became Iowa State University of Science and Technology in 1959.

ISU's colleges of Agriculture, Business Administration, Design, Education, Engineering, Family and Consumer Sciences, and Sciences and Humanities offer 119 programs of study. The College of Agriculture also offers a two-year program leading to a Certificate in Agriculture.

The Doctor of Veterinary Medicine degree is offered by the College of Veterinary Medicine.

The Graduate College offers 117 programs leading to the following master's degrees: Master of Arts, Master ofAgriculture, Master of Architecture, Master of Community and Regional Planning, Master of Education, Master of Engineering, Master of Landscape Architecture, Master of Public Administration, and Master of Science: and 92 programs leading to the Doctor of Philosophy Degree. It also offers a Specialist Degree program in school psychology.

Iowa State University is a member of the prestigious Association of American Universities. It is also accredited by the North Central Association of Colleges and Secondary Schools as well as by appropriate professional organizations.

Instruction is offered throughout the year. The academic year is divided into two semesters of 16 weeks each, beginning in late August and ending in mid-May. A summer session is held mid-June to early August.

## ATTRACTIONS

Indians, trappers, explorers, and settlers all played a part in the history and development of Iowa. Northeastern Iowa was first explored by Marquette and Joliet during their journey down the Mississippi Valley. Lewis & Clark explored the Missouri River. Southwestern Iowa saw the passage of the Mormons on their way to Utah. Immigrants from many lands came to Iowa in the last century. Their cultures are kept alive by their descendants in many ethnic museums, festivals, folkways, and foods. The cities and communities in Iowa offer a variety of summer and winter recreation, arts and theatre, festivals, historic sites and museums.

## IOWA'S CITIES...

**DES MOINES.** Iowa's state capitol has many attractions, events, and activities. Historical attractions include the gold-domed State Capitol, the governor's mansion - Terrace Hill, Salisbury House, and the homes on Sherman Hill. The Living History Farms feature four fully operating farms, each representing a different era. Other attractions include the Botanical Center, Blank Park Zoo, Des Moines Art Center, Adventureland Park, and the Science Center of Iowa. Year-round performances are held in the Civic Center. The annual Iowa State Fair features scores of entertainers, exhibits, and events. *Greater Des Moines Convention and Visitors Bureau, Tourist Information Phone Service (515) 283-2220.*

## IOWA'S RIVERS AND LAKES...

Iowa's eastern boundary is the Mississippi River. The Mississippi has cut a broad gorge that can be viewed from the Great River Road that parallels it. A visitor center in the Quad Cities provides a view of the Mississippi's history and present. The western boundary is the Missouri River. The Missouri River Valley is a flyway for migrating ducks and geese that can be seen from wildlife refuges such as the DeSoto National Wildlife Refuge. The Iowa, Des Moines, and Cedar Rivers flow through southeast Iowa to join the Mississippi.

The Iowa Great Lakes include East and West Okoboji and Spirit Lakes. Lake Okoboji is one of three "blue-water" lakes in the world. Spirit Lake was the site of the 1856 Massacre. Resorts line the shores and the lakes offer a wide array of water sports. Clear Lake, in north-central Iowa is a resort area for swimming, water skiing, sailing, or fishing. Four federal reservoirs also offer water recreational facilities: Coralville Reservoir, Saylorville Reservoir, Red Rock Reservoir, and Rathbun Reservoir. Many state park lakes are well-stocked with muskie, walleye, or other game fish.

**DUBUQUE.** As Iowa's oldest city, first settled in 1788, Dubuque's history includes indians, fur traders, miners, riverboats and gamblers. This heritage can be seen in its Victorian mansions, churches, and public buildings that have been restored as museums, art galleries, and specialty shops. Its heritage as a river town can be seen in the Riverboat Museum with its "hands-on" exhibits and on riverboat excursions on the Mississippi. Annual events include Dubuque-fest, Riverfest, and Winterfest. Attractions include the Five Flags Center, Sundown Ski Area and Heritage Trails. *Dubuque Convention and Visitors' Bureau (319) 557-9200.*

## Worry-saver tip:

# Annoyance Calls

The best way to put an end to crank, prank, obscene or other annoying calls is to hang up immediately. If the calls persist, call your service representative. In difficult cases, we will work with the customer and authorities to catch the offenders. Threatening calls should be reported immediately to the police.

**Check the front pages of this directory for other useful information about your telephone service.**

# JEWELL
## NORTHWESTERN BELL

Your complete telephone number is needed on long distance calls-both to and from Jewell-and whenever you give your number to others. However, on local calls to other Jewell telephones, the first two numbers-82-may be omitted.

### HOW TO CALL ANOTHER PARTY ON YOUR LINE

Two-party customers dial 421.

After dialing the number hang up. Your telephone and the called telephone will ring until the call is answered. When the ringing stops, remove receiver and start your conversation. If no answer, remove receiver for a few seconds and then replace it to stop the ringing.

### TO CALL A PARTY ON YOUR LINE

If on repeated attempts to call a number the line is always busy it may be that the called number is on your line. Or if it is known that the party you wish to call is on your line, and you wish to call that party, proceed as follows:

1. Lift your receiver and listen for dial tone.
2. Dial 99 and directory listed number.
3. After dialing you will hear the busy tone. Then replace your handset. Allow a reasonable length of time for other party to answer, then pick up your handset and talk.
4. When the party you are calling answers, he will hear a 'ticking' sound which indicates that he should wait for calling party to speak.
5. If the called party does not answer, replace your handset.

# Four ways to help you use the Yellow Pages...

## GOING SOMEWHERE?

Suppose you want to dine out. Just find "Restaurants" in the "R" pages, and select the one that suits you best. Almost any product or service can be found in this quick and convenient way.

## FORGOTTEN A FIRM'S NAME?

There's a garage at 3600 Clearwater Ave., but you've forgotten its name. Simple check through the list in the "Automobile Repairing & Service" classification . . . find the Clearwater Ave. address and you've found the elusive garage, and its telephone number!

## LOOKING FOR A TRADE-MARKED PRODUCT OR SERVICE?

You want a certain brand of tire but you don't know where it's sold. Just turn to "Tire Dealers—Retail" and choose from the list of dealers. Easy!

## EVEN WHEN YOU KNOW THE NAME . . .

The Yellow Pages can help you. Suppose you want to phone a Sporting Goods Store named Smith and Sons. Chances are you would find it more quickly in the specific list of Sporting Goods Stores than in the White Pages.
